The above prices include: Heater/Demister, Windscreen Washers, Two speed Windscreen Wipers, Headlight Flasher Unit, Fresh Air Distributor, Interior Driving Mirror, Spare Wheel, Flashing indicators, Automatic Choke Control, Fully Synchronised Gearbox plus the reliability which has made the Volkswagen famous throughout the World.

VOLKSWAGEN Designers and Engineers have done plenty for your comfort and safety. Take these superbly upholstered seats, for example. The heating – adjustable over a wide range to make sure it's never too much or too little of a good thing. The fresh-air ventilation system – which supplies a fresh air flow adjustable in all directions.

There are vent wings – Arm rest – Ashtrays – Coat Hooks – Grab Handles – screw-type mountings for safety belts – and lots more.

The VW Micro Bus and Kombi have plastic headlinings, plastic trimmed sides, and rubber matting, to make sure they look as comfortable as they really are.
