Dial your fun in the sun . . .

or rain, or snow with your personalized Sundial Camper.

It's the fun way and the economical way to get out and go!

Forget about reservations, time schedules and crowded highways.

*Your Volkswagen - Sundial Camper will take you to all the beauty spots off the beaten path,
while all the comforts of home travel with you.*

Sundial raised the roof!

Yes, with Sundial's new "Second Story" a V.W. camper, Kombi or van suddenly grows to maturity. It boasts of over six feet of head-room, an interior storage cabinet, front and rear, and an optional slide out bed with foam mattresses that may more than double the sleeping capacity of your camper. Our top was designed to have a minimum of wind resistance without sacrificing interior area. The "Second Story" is available with either our Deluxe or Kingsize Bed model of camper conversion. Two-toning to match the color of your vehicle is an optional extra.

Sundial's customized accessories are designed to fit your budget

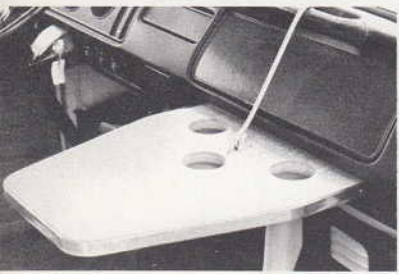

Sundial people know from experience that all camping families don't need the same equipment. With their complete line of component accessories, each buyer can order only what he desires.

Many find it desirable to start with a basic conversion and add to it at intervals.

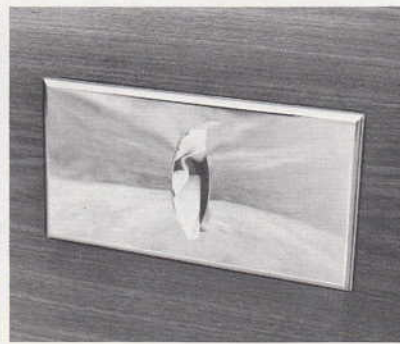

Roof Rack — 38" x 54", ideal for luggage, supplies. Secure in attachment, it can be removed in seconds.

Step — makes easier camper entry, folds flat under vehicle when not in use.

Snack-Rack — a useful snack tray for use while traveling; can be removed when not in use.

Recessed Kleenex Holder — indispensable item for travelers with children.

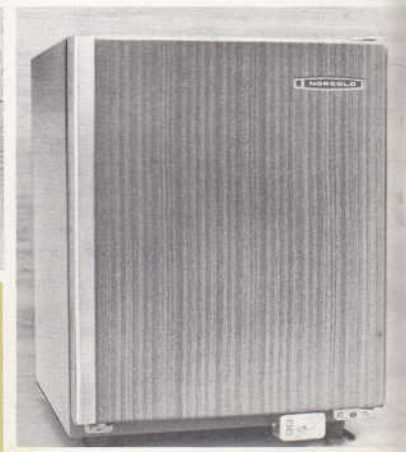

Pent-Tent — Roof top sleeper — 48" x 80", quickly erected without any tools. While traveling, framework and tent folds into the 5" high carrier. Comes with ladder and canvas cover. Foam mattress available.

Chemical Toilet — built into small seat; bucket removes to empty. Available only in *Deluxe* model.

Butane Stove — completely portable with carrying handles on stove and tank. Complete with regulator and 48" flex hose.

Norcold Refrigerator — Available at extra cost, in lieu of ice box. Operates on 12 & 110 volts — 25' power supply cord included.

Accessories Available but not illustrated here —

"Second Story" permanent fiberglass top. Includes windows, insulation, liner and storage compartment. Slide out bed and curtains also available. **Pop Top** - For that extra headroom when you need it.

"Penthouse" large expandable top with full size upper bed.

Cabana, free standing.

"Inst-Awn" retractable awning.

Spare wheel bracket — for mounting spare on outside front of vehicle (standard equipment on the Deluxe model split seat camper).

Cover for spare wheel.

Lock for spare wheel.

"Porta-Potti" flushing toilet.

"Shower-Power". Consists of rear enclosure, privacy curtain, hand shower, hose and floor mat. (Available for Deluxe model only since it requires the pressure water system).

"Super Exit Dome" - 26" x 26" roof vent allows access to items on roof racks, an emergency escape hatch, for photography, etc.

"Rec-Deck", a patio on top your camper, includes "Super Exit Dome", Cabana canvas, framework and ladder.

Ladder - for interior use with "Super Exit Dome" or "Pent-House".

Coleman L. P. Gas stove.

110 Volt Outlet - Includes 25 ft. extension cord and breaker box.

Cab panelling.

Curtains for cab windows.

Split seat filler cushion - allows cab seats in split seat model to be used as a bed or for seating another passenger.

Floor cushion - for sleeping a child on camper floor.

Fire Extinguisher - good insurance.

Stereo Tape Players - Various models available.

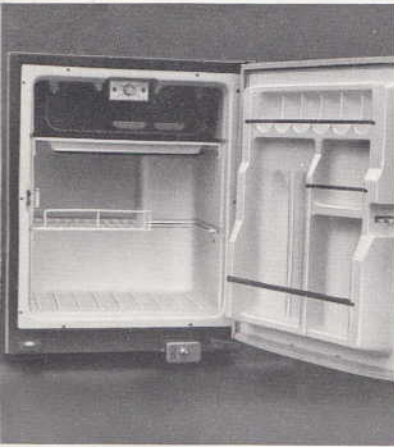

Ladder — clips onto the rear of vehicle for traveling — can be used anywhere on the perimeter of the vehicle to gain access to roof.

Roof Rack — bin type, 48" x 80"; has many uses as carrier; becomes observation platform and sundeck. Canvas cover available.

Folding Toilet — with disposable plastic bags.

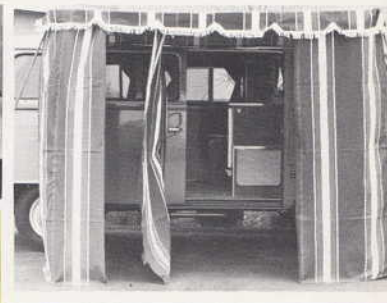

Refrigerator Interior — shows spacious design of optional Norcold Refrigerator.

Roof Vent— 14" x 14" — operated by crank for additional ventilation and light.

Hammock— sturdy canvas, 40" x 54", can be suspended in cab area for child.

Cabana—fully enclosable canvas room, 5½' x 8', supported by your vehicle. Choice of six color patterns.

THE SUNDIAL CAMPER HAS CALIFORNIA STATE DEPARTMENT OF HOUSING APPROVAL

Omar Khayyam would have considered this luxury as pure magic. Our fringed, gaily striped cabana becomes your living room whenever you stop in your travels. When pulled around and zippered closed, it becomes a private dressing room, or extra sleeping room.

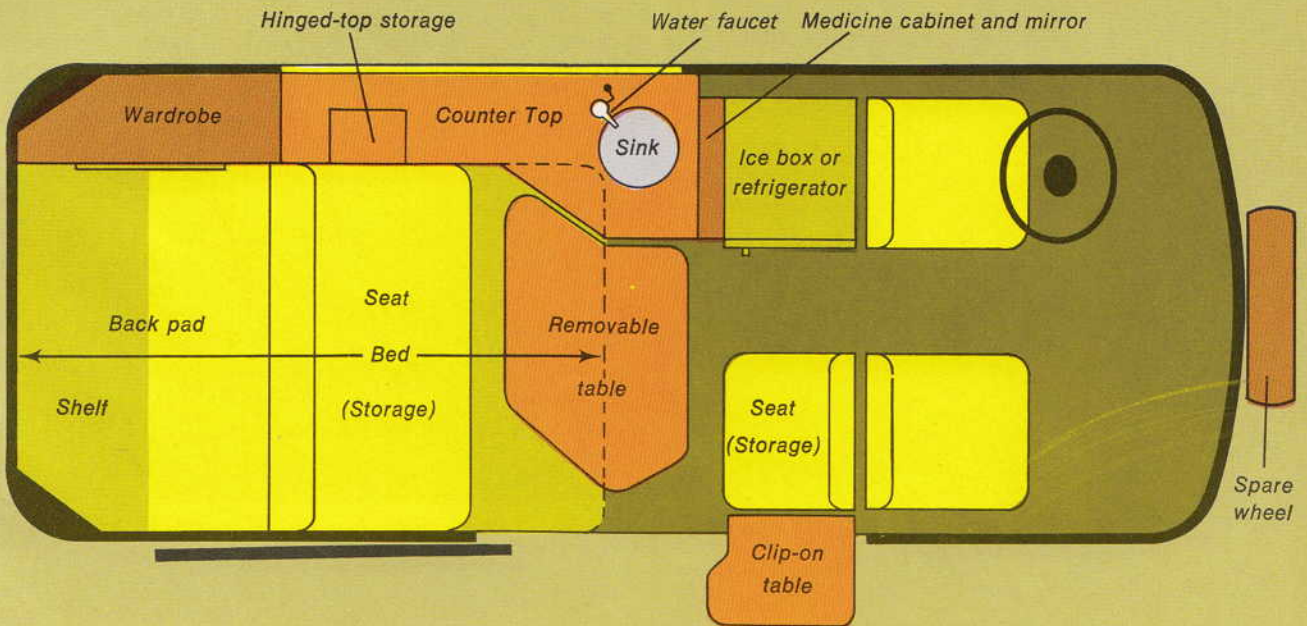

This rear view of the Sundial Camper shows the king size bed and free-standing cabana in relation to the camper. Made of heavy duty canvas, the cabana measures 7' x 10' and is available in a choice of six colors. It adds immeasurably to the pleasures and comfort of your Sundial Camper.

The King Size Bed Model Features: Full width seat and bed ■ Table hinged to wall ■ 6 separate storage areas ■ Water pump and portable plastic sink near door for easy access from outside ■ Drinking glass rack on ice box cabinet ■ Excellent wardrobe accessibility ■ Antique copper hardware

The Deluxe Model Features: Extra large counter top with built-in stainless steel sink with vent and drain to the outside ■ 15 gallon, pressurized water system with aluminum tank ■ Large cabinet with 2 drawers ■ 9 separate storage areas including special storage shelf for table ■ Handy medicine cabinet with large mirror ■ Clip on table for outside use ■ Exterior wheel mount provided for split seat type.
