

# SUNDIAL RAISED THE ROOF!

Yes, with Sundial's new "Second Story" a V.W. camper, Kombi or van suddenly grows to maturity. It boasts of over six feet of head-room, an interior storage cabinet, front and rear, and an optional slide out bed with foam mattresses that may more than double the sleeping capacity of your camper.

The "Second Story" is available with either our Deluxe or Kingsize Bed model of camper conversion.

Our top was designed to have a minimum of wind resistance without sacrificing interior area.

Two-toning to match the color of your vehicle is an optional extra.
