

**How do
people travel cheaper
by the dozen?...**

...in the New Devon 12 seater bus

Could you profit from a Devon?

All kinds of people travel cheaper by the dozen in a Devon 12 Seater Bus — office, factory and site workers, school children, hotel guests, air crews, sports teams, hospital staff and patients, and there's lots of spare room for their luggage and equipment.

VW reliability

It's also worth remembering that Devon buses are built on Volkswagens. And Volkswagen have a world-wide name for quality and reliability. So your bus will start first time on cold winter mornings and keep on going when others are off the road for repairs.

The VW dealer network

There are over 300 VW dealers throughout the UK who have the very latest diagnostic and servicing equipment to keep your Devon running smoothly.

The New VW Devon 12 seater bus

It's worth thinking about. A Devon bus in the right place can save money, time and trouble.
